Revival Waves of Glory Ministries, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.You Don t Have to be Poor is a book addressing perhaps the most important component of life for the individual or family. It is not just a manual of merely preparing a budget designed to lift the reader from poverty. The theoretical basis of building wealth from a Biblical and a commonsense approach to provide financial guidance is found in this book. A practical education in the economy of the country and about the world is included to provide the reader of the complexities of a global economy for which we all must prepare to insure the future of our families and our country. Decisions must be made daily that influence the financial standing of everyone, based on future goals. Biblical scriptures address these problems for everyone and perhps leaders of entire countries. Common sense approaches to personal finance based on Scripture from thousands of years ago is stressed, and simple basics have not changed since. It is imperative...
