ONE HUNDRED WHITE PELICANS (PAPERBACK)

Tebot Bach, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Who but Robin Chapman would think of Planck s equation, Einstein and quanta while chopping onions, the origins of the universe while pork fat sizzles in the pan? With a scientist s knowledge and a poet s eye for beauty and correspondences, she tracks the stars and considers the fate of the earth; hers is an acute, observant gaze that moves with ease from paleontology to the private lives of rabbits in poems that join the work of intellect and love. - Eleanor Wilner, author of Reversing the Spell and The Girl with Bees in Her Hair. In One Hundred White Pelicans, Robin Chapman continues her compelling poetic exploration of the natural world. As she moves from Wisconsin to France, from broad landscapes to the microscopic, from the news that spills out of our televisions to what biology tell us will be the fate of our troubled world, the scientist in her explains while the poet gives us hope. One Hundred White Pelicans is a wise and wondrous book that will make you worried for our world and long for its redemption. -Jesse Lee Kercheval, author of Cinema Muto, Dog Angel, and World as Dictionary. One of my favorite words is redolent, and these poems are certainly that: redolent of a damp Adirondack trail, and of an imagined parched future. A future that we can still prevent, but only with great acts of the imagination and the will. -Bill McKibben, author of Eearth, Deep Economy, and The End of Nature. The poems in Robin Chapman s One Hundred White Pelicans interweave a story of some of nature s most sacred treasures, now threatened by looming environmental crises. Chapman s ideas are so...
