Using a writing style that is practical and applicable to all kinds of classrooms, this widely popular book presents a user-friendly approach for planning and implementing lessons for teaching English learners and other students. It provides students with access to grade-level content, develops their academic English skills, and prepares them to be college and career ready. The SIOP model is a comprehensive, coherent, research-validated, success-proven model for improving teaching effectiveness and ensuring academic gains for students. It can be implemented in all content areas at all grade levels and English proficiency levels. Making Content Comprehensible for English Learners provides specific application of the SIOP to the Common Core and other state standards and includes a Reflect and Apply eText feature in which readers explain their rating of teachers lessons, and Teaching with Technology vignettes that describe how to infuse technology into many different SIOP lessons. The Enhanced...
