## BACK TO LIFE: A BLADDER CANCER JOURNEY: FOREWORD BY SIA DANESHMAND, M.D. (PAPERBACK)

Cardboard Box Books, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Back To Life: A Bladder Cancer Journey by Frank Sadowski is a first-person narrative covering the symptoms, diagnosis, treatment decisions, surgery and recovery of one man diagnosed with advanced bladder cancer in 2007. While doubtless of interest to bladder cancer patients, the book is written as an exciting adventure with many twists and turns that will appeal to all. While ultimately a story of survival, it carries strong themes of persistence, commitment, friendship and love. The frankness of the storytelling is skillfully offset with lighter touches and humor, and the story races to an unexpectedly heart-pounding ending. As a Stage 4 melanoma survivor, I found myself deeply moved by - and profoundly grateful for - Frank Sadowski s honest and enlightening account of what it s really like inside the cancer experience. But more than that, simply as a reader, I was enthralled with his effortless gift for compelling storytelling. Back to Life is full of humor, suspense, and grit, a medical drama that brims with heart and soul. -- Mary Elizabeth Williams, staff writer at and author of Gimme Shelter and A Series of Catastrophes and Miracles: A True Story of Love, Science, and Cancer. Back to Life: A Bladder Cancer Journey highlights this important subject and encourages patients and physicians alike to understand the dilemma from the patient s perspective and to appreciate the anguish they go through following the initial consultation. It is important to know that patients can fully emerge from the initial difficult recovery period...
