Abbeville Press Inc., U.S., United States, 2009. Board book. Book Condition: New. Peter Lawson (illustrator). 165 x 124 mm. Language: English . Brand New Book. Drive around to follow the story! As kids 3 and up turn the movable wheel, they uncover delightful images that correspond to each page. The Turn-the-Wheel board books let even the smallest children change the scene themselves by moving the wheel. The short and simple texts in these books use dialogue (and talking animals!) to bring each vehicle and experience to life. Readers will learn about the lives and work of firemen, fishermen, farmers, and animal rescue workers. As children turn the wheel to find each page's corresponding image, they will exercise their small-motor-skills. A miniature driving tour that parent and child can take together, each of these books focuses on a different vehicle: Animal Ambulance, Fire Engine and Tractor. From an early age, children are fascinated with driving. Here's a book to let them steer on their own.
