

China and the World-War (Classic Reprint)

By William Reginald Wheeler

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from China and the World-War After the war, the attention of the world will more and more shift to China and the Far East. The greatest potential market of the world lies there: the greatest need for industrial and economic development is there. The Far East, in general, and China, in particular, have been profoundly affected by the war: they will be even more deeply influenced during the peace which is to follow. All of the great powers have financial interests in China; after the war, these interests will come into sharp competition and rivalry. In their relations with China and with each other, the nations will face two alternatives: on the one hand, a policy leading to an imperialism and oppression which eventually will endanger the dearly-bought world-peace: on the other, a course of action based on international justice and the development of a democracy in the Far East that will be safe for the world. These alternatives in Asia are, and will be, the same as those which the world is facing in Europe...

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.
