Reviews

This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.This horrific story is about a living legend that became a historical fact, creating disturbing disasters and destruction in it s targeted victims lives in order to grow and extend itself. As this nightmare ever increases, so does it s heinous acts. Filled with suspense, this unusual story is a terrifying journey of a specific chosen victim. What exactly did this legend do to his innocent target? Outrageous events occur throughout the storyline and ends with an unexpected twist. A legend that lives and has the power to manipulate? Bizarre! Byron Brewer, a 911 operator receives several chilling calls from a little girl, but when police investigate they do not find a little girl at that location! Did she even exist? And why did Byron feel a connected bond to her? Then his colleague at the helpline centre receives a call from a young woman, a call that spins his world out of control and into the next dimension. What was real and what was fantasy? Did Byron cross that rational line of sanity? What did his future hold for him?.
