## CUBA: PORTRAIT OF AN ISLAND (HARDBACK)

Interlink Publishing Group, Inc, United States, 2004. Hardback. Book Condition: New. 272 x 218 mm. Language: English . Brand New Book. In this unique collection of vibrant and enchanting photographs, Donald Nausbaum has captured the essence of Cuba, the Caribbean s most fascinating island. His portrait gives us a real sense of the island s scenery and evokes the rich diversity of Cuban life capturing images, which make us really feel Cuba. It takes us down spicy streets filled with music and the candy colors of the ubiquitous classic cars. It shows us, through snapshots, the essential elements of Cuban culture, from vivid pictures of gnarled, mahogany textured just-rolled cigars to images of bright carnival, of Cubans of every age dancing in every style to the incessant musical heart beat of the island. Cuba s fascinating political past and pervasive political mood, described in detail in Ron Base s introduction, also shows us its walls and bill-boards and its T-shirts plastered with that picture of Che Guavara, and the brightly painted political slogans and scrawled graffiti. In its most touching moments, this portrait shows us the humanity of Cuba, the children with cheeky faces playing in the streets, the old men making music together, the workers and the mothers and the activists, all brought together in this portrait of an island dancing in the sun.
