

Dude 101 (Paperback)

By Kevin Hunter

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Dude 101 is a light, quick and easy read that features a dating columnist who takes young adults through a series of practical essays devoted to finding love in a universe that defies this notion. Author, Kevin Hunter, takes a backseat allowing Jagger, one of his alter egos, to run the show. Jagger covers the similarities and differences between straight and gay men, to loyalty and adultery, while putting guys into the categories of Knights, Princes, and Kings. Dude 101 demonstrates the rise and fall of love, what to stay away from, what to go after, the bad boy, Jagger's real love romance with Garth through mini-scene vignettes, and the dating rules that should be memorized as mantra. Jagger is the main protagonist in the book, Jagger's Revolution, a tale that surfaces around a heated erotic crush between a sex relationship writer and an Australian lifeguard. Dude 101 is the supplemental B-side book that involves random musings on dating and relationships for gay and straight singles alike. Relationships are an equal opportunity killer in the end.
