Reviews

This kind of pdf is every little thing and made me seeking ahead of time plus more. It generally will not price excessive. You will not truly feel monotony at anytime of the time (that's what catalogues are for concerning should you request me).

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Wessex Poems and Other Verses is a collection of fifty-one poems set against the bleak and forbidding Dorset landscape by English writer Thomas Hardy, often referred to as simply Wessex Poems. Thomas Hardy, OM (1840 - 1928) was an English novelist and poet. A Victorian realist in the tradition of George Eliot, he was influenced both in his novels and in his poetry by Romanticism, especially William Wordsworth. Charles Dickens was another important influence. Like Dickens, he was highly critical of much in Victorian society, though Hardy focused more on a declining rural society. While Hardy wrote poetry throughout his life and regarded himself primarily as a poet, his first collection was not published until 1898. Initially, therefore, he gained fame as the author of novels, including *Far from the Madding Crowd* (1874), *The Mayor of Casterbridge* (1886), *Tess of the d Urbervilles* (1891), and *Jude the Obscure* (1895). Hardy s poetry, though prolific, was not as well received during his lifetime. It was rediscovered in the 1950s, when Hardy s poetry had a significant influence on the Movement poets of the 1950s and 1960s, including Philip Larkin. Most of his fictional works - initially published as serials in magazines - were set in the semi-fictional region of Wessex. They explored tragic characters struggling against their passions and social circumstances. Hardy s Wessex is based on the medieval Anglo-Saxon kingdom and eventually came to include the counties of Dorset, Wiltshire, Somerset, Devon, Hampshire and much of Berkshire, in southwest and south central England.
