The author studied REVELATIONS for the past five years with the hope of painting the contents in a big mural. Her goal was that the work would be self-explanatory and the viewer would not have to read text to understand the message. However, something unexpected happened that altered the plan. This book is about how the author was told not to paint REVELATIONS, but to PAINT THIS! Along with the command to PAINT THIS! came other information and images, all included in the book. Set in the Napa Valley, this volume is the result of persistence and perseverance by the author to comply with the order. The book is spiritually engaging, involving an inspirational experience of another kind and vision. Its message includes narrative and visionary art, all painted and written by the author. A. C. Fritsch, M. Div. , Ph. D. , has written ten books. This multitalented writer began painting fifty years ago. She used many materials and mediums until she was able to master them all. Her unique style is considered to be expressive, narrative, or impressionistic. But all her work is prophetic and visionary. The art is multicultural, multilingual, multinational, multidimensional, metaphysical in nature, and speaks a universal language. Dr. Fritsch's writing career began while recovering from cancer.
