Reviews

Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

GRIN Verlag Feb 2008, 2008. Taschenbuch. Book Condition: Neu. 210x148x2 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2004 in the subject English Language and Literature Studies - Literature, grade: 1, Technical University of Braunschweig, course: The British Landscape in Fact, Fiction and English Language Teaching, 12 entries in the bibliography, language: English, abstract: 'Wuthering Heights' is the solitary prose work of Emily Brontë and was first published in 1847. Although the novel is now generally considered a masterpiece, there were lots of negative reviews after the publication. Critics called it for example shocking, grotesque or mishappen and were horrified by it. In my work I will concentrate on the reviews of 'Wuthering Heights' that appeared shortly after the publication of 'Wuthering Heights' until the end of the 19th century. Firstly, I will give a short biography of Emily Brontë to illustrate her way of living. After that I will summarize her novel. Following the summary of 'Wuthering Heights' I will concentrate on the reviews of 'Wuthering Heights'. At first I will present the way this novel was criticized by the reviewers in English as well as in American newspapers and magazines shortly after the publication in 1847. Then I will refer to Charlotte Brontë as a critic of 'Wuthering Heights' and show how she judged her sister s work. Furthermore her review influenced later criticism. In the end I will illustrate the later critical response to 'Wuthering Heights' and I will show if there has been a change in judging the novel and how Charlotte Brontë s preface influenced the reviewers. 28 pp. Englisch.
