Oxford University Press Inc, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. Subsequent chapters examine additional archaeological finds that shed further light on the Hebrew Bible and New Testament, the issue of potential frauds and forgeries, including the James Ossuary and the Jehoash Tablet, and future prospects of the field. Biblical Archaeology: A Very Short Introduction captures the sense of excitement and importance that surrounds not only the past history of the field but also the present and the...
