

## Blank Storybook (Paperback)

---

By Andrew Frinkle

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This is an absolutely blank 24 page storybook in 5x8 inch size. That s bigger than a paperback, but not quite as big as a trade paperback. It s enough room to scribble on, without having to worry about filling a giant page! The cover is pretty much blank, too. I suggest drawing and then gluing the cover image on the front. You can also scan a drawing and print it out on a full page sticker. With a matte finish, you may be able to draw on the cover, but your results may vary. Inside, there is only a page number with a line above it on each page. Draw on this with crayon, colored pencil, or ink. Write, draw, doodle your heart s desire upon these pages!.

### Reviews

*Completely essential go through ebook. It can be written in basic phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*
