A top quality publication as well as the typeface used was intriguing to learn. Yes, it is play, still an amazing and interesting literature. I discovered this publication from my i and dad suggested this book to learn.

AN OFFERING MADE BY FIRE (HARDBACK)

Xulon Press, United States, 2009. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Prophecy pages are turning! As each page rests upon the other, events begin to unfold all around us. Fear is replacing the peace that has kept our borders and it s amazing at what freedoms we are willing to give up, just to feel safe. With the ever-growing economic uncertainties, we as believers are supposed to be at peace so that an unbelieving world might ask concerning the hope that is within us. Yet today, we find more than ever that the church is hurting and is just as uncertain about the future as everyone else. Our joy has been replaced by anxiety and what was once so clear has now become a cloudy gray. We struggle to remain true to the convictions of those who shed their blood defending them. The body of Christ is at a crossroads. The syncretism of religion declares that there are many faces to God but only one voice, and these falsehoods are pushing the believer to make a stand! Resistance to this path labels one as a fanatic and a radical. What are we as followers of Christ supposed to be doing and what is our hope? Dave Dungan answers some of these questions scripturally as we see that we were created to minister to God His Glory and not our own. We are to be a living sacrifice so that we might be prepared An Offering Made by Fire, a sweet smell to a most Holy God.
