

## Dark Homecoming (Paperback)

By Eric Van Lustbader

HarperCollins Publishers, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. Mega-thrilling new Miami-based blockbuster from rejuvenated maestro. New setting, new approach, new launch from HarperCollins. Time for Nicholas Linnear s tough-guy friend Lew Croaker to take centre-stage in a supercharged new thriller - Lustbader s best since The Ninja. Croaker is trying to mind his own business in Miami when he gets caught up in the bad, bad magic of the Bonita brothers, Heitor and Antonio, and then falls into temptation himself when his neice takes an overdose and he needs desperately to find her a kidney for transplant. Will he get involved in the sinister illegal transplant trade? All roads seem to lead back to the brothers and, ultimately, a terrifying dilemma for Croaker: can he kill a friend to save his own flesh and blood? A super-confident novel about family, fear, courage, good rock music and voodoo, Dark Homecoming is a novel that must be read at full volume!.
