Thank you Reverse Therapy for releasing me from this cycle of negativity. It is one year now since I have been cured from Hypothalamitis. I continue to go about my everyday business like I always used to before my illness. I still cannot believe how lucky I was to have that chance. It really has changed my life. It saved me and my mother says she now has her daughter back. I just dread to think where I would be now if I hadn t picked up the phone that day and made an appointment. Thanks to Reverse Therapy and the dedication of my therapist, I now have a life again.
