Dog Ear Publishing, United States, 2014. Paperback. Book Condition: New. 216 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****. The poems of T. D. Richards are compelling, poignant and thought provoking. Whether he is writing about his beloved cottonwoods, tasty Indiana tomatoes, or a blessed breeze that travels all the way from the Pacific to offer relief from Hoosier humidity, he treats words with care and a generous helping of sacred respect. No matter his subject- spirituality, hope and humor are usually present, or hovering just at the edge of the page. John Bowman, author of *This Could be the House I Die In* T. D. Richards writes what he knows-whether it s an astute observation of the quirks and subtleties of nature, or a philosophical look at life and its ever-changing stages. With humor and intelligence, he shares his take on his world; sometimes bridging generations, and other times being radically in-the-moment. A wonderful compilation of poetry. Rita Spalding, visual artist and creator of *The Poetry Series* In this convincing, bittersweet collection of poems entitled *This Side and That*, T. D. Richards introduces you to characters normally hidden: a Cottonwood grove that embraces a willow tree, but can t help it stop crying; a Kilroy figure on a machine shop window that bids you goodnight; Aristotle drinking mead and reading poetry; and a cool breeze on a super-hot day that refreshes your body and sparks your imagination. Starting with a wonderfully crafted paradoxical choice that we all face the moment we wake in the morning, the journey takes us into the author s backyard and unforgettable stories from childhood and current relationships. Enter the surprising world of connections that the author shares with you. You will find that reading his poems is like...
