

## Fast Facts: Benign Prostatic Hyperplasia (Paperback)

By Roger Kirby, Peter J. Gilling

Health Press Limited, United Kingdom, 2011. Paperback. Condition: New. 7th edition. Language: English . Brand New Book. Most men with BPH can be diagnosed and managed in the primary care setting. In choosing appropriate treatment, clinicians must take into account not only the nature and severity of symptoms but also the preferences of the patient and his immediate family, cost-benefit considerations and long-term effectiveness of therapy. Written by two leading urologists, Fast Facts: Benign Prostatic Hyperplasia provides a refreshingly readable, practical overview of the pathophysiology, diagnosis and treatment of BPH including: - Use of DRE and PSA results to discriminate between prostate cancer and BPH - An evidence-based review of the latest medical therapies - A concise overview of the surgical and minimally invasive treatment options - When to refer to a urologist There is important work to do to raise awareness of men's health issues in general and the problem of BPH in particular. Lower urinary tract symptoms are among the commonest reasons for a man to consult his doctor, and this ever-popular book - the first 7th edition in the Fast Facts series - remains a must-read for all primary care providers.

### Reviews

*I actually started looking over this ebook. It is definitely simplified but excitement inside the 50 percent of your ebook. You are going to like just how the blogger create this ebook.*

-- **Efren Swift**

*The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
