MEMORIES MUSINGS OF A HOSPITAL SURGEON (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Memories Musings of a Hospital Surgeon It is nearly fifty years - to be quite accurate, fortyseven years, six months - since I entered as a student at one of our large London Hospitals. From that day to this, I have practically led a hospital life. I am an Honours Graduate of the University of London, and a Fellow of a Royal College and a Fellow of a Royal Society. I have taught students; and examined in more than one British University, and in more than one degree-granting college. I have been President of one Royal Medical Society, and of two other Medical Societies. I have been a Manager of one large General Hospital; and am, at the present time, a Governor of another. I give this record of my past career as an introduction to what I venture to hope will be accepted with all the greater credence and with all the more thoughtful consideration, I trust, it will thereby merit.
