Rising River Media, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Church of the early 21st Century needs something that only God can give. He has done it in the past, and He can do it again. But it will not come by means of any program, activity or act of self-effort. It is a sovereign act of God in response to and in fulfillment of the heart-cry found in Isaiah 64:1, Oh, that Thou wouldst rend the heavens and come down. The Church of our generation desperately needs a divine visitation, a burning coal fresh from God's altar that turns smart Christians into flaming radicals - carriers of that inextinguishable blaze which, throughout the history of the Church, has set the world on fire for Christ. In this book, organic church advocate and revival historian Maurice Smith argues that God is preparing His Church for a season of spiritual awakening by calling out Children of the Burning Heart who will seek Him in genuine holiness and fear, personal repentance and renewed intimacy with Him. Are you one of them? This book is your call to become a carrier of The Inextinguishable Blaze.
