

Jack the Ripper: Case Solved? (Paperback)

By G. Alexander

Lulu.com, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Mary Kelly had picked up the name Marie-Jeanette while staying in Paris. Had the latter got into some kind of trouble while staying in this city and had the killer then followed her into London s East End? The Whitechapel Murders took place over a period of a little more than two months and ended just as swiftly as they had started. Had the assailant taken the lives of his other victims so as to cover his own tracks or had it been a case of mistaken identity? In this book I make the case that a close relative of the Post-Impressionist artist Henri de Toulouse-Lautrec took the law into their own hands when they discovered the artist was dying of syphilis. Having obtained the suspect woman s name from one of Lautrec s letters to his own mother, she was finally tracked down to 13, Miller s Court.

Reviews

Extremely helpful for all class of folks. It is really simplified but excitement from the 50 percent of your ebook. You wont sense monotony at at any moment of your time (that's what catalogs are for about if you check with me).

-- Prof. Zachary Pollich V

This pdf might be really worth a go through, and far better than other. It can be packed with wisdom and knowledge Its been written in an exceedingly straightforward way and is particularly only soon after i finished reading through this pdf by which basically changed me, modify the way in my opinion.
