Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Poor Parents (Les Parents Pauvres), Vol. 1: Cousin Betty In the second place, this story itself strikes hold on the reader with a force not less irresistible than that of the older and simpler stories just referred to. As compared even with its companion, this force of grasp is remarkable. It is not absolutely criminal or contemptible to feel that Le Cousin Pens sometimes lan-guishes and loses itself; this can never be said of the history of the evil destiny, partly personified in Elizabeth Fischer, which hovers over the house of Hulot.
