Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Trigger Warning: this is a dark erotic novella that contains scenes of a graphic nature that may be offensive to some readers. Please be aware of this and continue at your own risk.A realist through-and-through, Victoria Wyrlic lives a practical life; she has no patience for the whimsical. Her friends are believers, however, and they plan a night of clumsy attempts to summon the supernatural in order to prove the naysayer wrong. She begrudgingly attends, if only to laugh at their foolishness.That night, a mysterious, silver-tongued stranger shows up out of nowhere. An apex predator, he is as captivating as he is dangerous, and his sights are set on Victoria. In the course of an evening, everything she thinks she knows is thrown out the window.Lured into the game of an unforgiving master, she quickly learns there is no such thing as harmless fun when it comes to the otherworldly.
