This power has likewise been inferred from some patients complaining of a soreness in their throats, immediately after the ejection of this black matter. To determine how far it was capable of acting on the healthy body, it was submitted to the following experiments: ill. In October, 1794, immediately after a quantity of black vomit was taken out of the stomach, after death, I applied some of it to my tongue and lips; to the latter it gave, a short time after application, the sensation of a fluid perceptibly acrid. This experiment was, the next day, several times repeated, with the same result. 2d. A friend of mine applied it to his lips, and it produced a similar sensation; but would not affect his tongue. 3d. Finding the effects of this matter so different...
