THE PERCEPTION OF SPEECH: FROM SOUND TO MEANING (HARDBACK)

Oxford University Press, United Kingdom, 2010. Hardback Condition: New. New. Language: English . Brand New Book. Spoken language communication is arguably the most important activity that distinguishes humans from nonhuman species. While many animal species communicate and exchange information using sound, humans are unique in the complexity of the information that can be conveyed using speech, and in the range of ideas, thoughts and emotions that can be expressed. Despite the importance of speech communication for the entire structure of..
