## THE BAR WENCH FROM HELL (PAPERBACK)

G. R. Hocking Publishing, United States, 2010. Paperback. Condition: New. Leigh Ellen (illustrator). Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. I have been a liflong resident of the Metro Detroit area, home to the auto worker and the American middle class. I have spent 30 years in the restaurant industry, 25 of those years behind the bar. For many of those years I was a single parent. I believe being a single parent kept me sane from all the craziness at work, and I believe being a bartender kept me sane from all the challenges that come with being a parent. You may see yourself in this book if you have ever eaten in a restaurant or sat at the bar of your popular, local watering hole. If you don't see yourself, then you will definitely see someone you know. For all those who are sitting at a table and not within earshot of the bar, let me tell you what really goes on.
