Filesize: 5.64 MB

Reviews

This is actually the finest ebook i have study right up until now. I have got study and so i am confident that i will going to read through once again yet again in the foreseeable future. I am happy to inform you that this is the finest publication i have study inside my personal lifestyle and may be he very best pdf for possibly.

(Hobart Anderson II)

BACK TO BASICS: TRADITIONAL GARDEN WISDOM: TIME-TESTED TIPS AND TECHNIQUES FOR CREATING A NATURAL, SUSTAINABLE OUTDOOR SPACE (BACK TO BASICS (READER'S DIGEST))

[DOWNLOAD](#)

Readers Digest February 2011, 2011. Hardcover. Condition: New. 'When your garden contains lots of earthworms, your soil is good.' This maxim may not sound familiar, but before the days of landscapers and lawn-maintenance companies, this type of knowledge was common. Gardening skills were passed down from generation to generation, and yards were personal places that flourished under the care of time-tested wisdom. Today the pace of life is faster, and modern advances make gardening tasks easier, but we can all benefit from the techniques and common-sense advice of the past to have beautiful, fruitful gardens now. With Back to Basics: Traditional Garden Wisdom, anyone can: Develop a dream, green garden without spending a fortune Grow an organic and eco-friendly garden with minimum fuss and maximum taste Discover how to collect and save seeds Make your own compost and learn 'no-dig' gardening Make a cold frame and protect plants from frost Repel moles with castor oil, prevent mice with the right plants, and make herbal insect repellents Find out the best way to prune a hedge, tree, or climbing flower Know which gardening tasks to do for each season Raise a panel fence and use recycled materials for landscaping Plant raised beds and container gardens, and build a natural grape arbor Discover how companion planting can discourage harmful pests and encourage growth Back to Basics: Traditional Garden Wisdom has full-color step-by-step illustrated instructions that will bring new knowledge to gardeners of all levels. Soon you'll be adding fireplace ashes to the garden to give it a potassium boost and using your elbow to see if the soil is warm enough for planting. With this insightful book, you'll discover why sage advice never goes out of style.
