HIGHLAND BOOKS, United Kingdom, 2005. Paperback. Condition: New. Language: English . Brand New Book. Es Kaitell chose a fast-paced life that skirted a fine line between enforcement and crime, family life and fun, building a business or looking for trouble. Crisis came when a savage brawl left him with injuries serious enough to jeopardise his career as a nightclub doorman. Should he get his revenge? The right decision here was to yield far better consequences than Es could imagine. Es story goes to the heart of how a believer can survive in a jungle of competitive pressure and sharp practice. A proactive approach towards both clubbers and managements nips trouble in the bud and earns Es the right to be heard: an ambassador for the gospel in clubland.
