### **Reviews**

*This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better then never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be he best book for ever.*

Kensington Publishing, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. When a famous glass artist is murdered at his own exhibit, deadly secrets are put on display, and it's up to glass shop owner Savannah Webb to see through a killer's cover. Celebrated glass artist Dennis Lansing is returning to St. Petersburg, Florida, for an exhibit at the world-renowned Salvador Dali Museum. His unique style of embedding document images in his art is at the vanguard of contemporary glasswork. But as Savannah's first boyfriend and a former apprentice to her father, Dennis's return home has her reflecting on the past--a trip down memory lane that takes a dark turn when Dennis is found murdered at the museum with an old reference letter from her father in his pocket. A search through her father's records sheds new light on Dennis's history, but it seems his present life wasn't so transparent either. Now, with a gallery of suspects to consider, it's up to Savannah to figure out who fits the mold of a murderer. Will keep you guessing to the end! --Krista Davis, New York Times bestselling author *A Kaleidoscope of Perfection*, with a feisty heroine, exquisite plot and master storytelling. --Liz Mugavero, author of the *Pawsitively Organic Mysteries*.
