Reviews

These kinds of publication is everything and got me to looking ahead of time and much more. it absolutely was writtern extremely completely and valuable. Your way of life period is going to be enhance when you full looking over this ebook.
(Dr. Lessie Murphy IV)

GUT-BRAIN SECRETS, PART 4: THE SCIENCE AND MYSTERY OF ADD (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Gut-Brain Secrets series tells you precisely how gut problems (bad bacteria, poor digestion, nutrient deficiency, and leaky gut) turn into mental health conditions (Attention Deficit Disorder, autism, GAPS conditions, and anti-social behavior), as well as most chronic, degenerative diseases, and autoimmune conditions. In Part 4, The Science and Mystery of ADD, you ll discover the underlying mechanisms by which ADD, autism, and GAPS conditions materialize and persist in a person. Until you understand root causes, and how they affect the mind and the body, you ll be forever chasing symptoms, and accepting partial solutions, while the real source of your problems remains. If you or someone you know has ADD (or other GAPS condition), or even suspects it, this material can completely change the way you think about how the brain works, or fails to work, in response to your microbiome. It could lead you to solutions that actually make a lasting difference in your life.
