

Rhetoric of Vocal Expression: A Study of the Properties of Thought, as Related to Utterance (Classic Reprint) (Hardback)

By William Benton Chamberlain

FBC LTD, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Rhetoric of Vocal Expression: A Study of the Properties of Thought, as Related to Utterance The expressional analysis here undertaken is designed to supplement rhetorical analysis, forming a sort of cross-plowing and subsoiling of literary and rhetorical study. As it regards literature the attention is here given to the motive rather than the method, to mental processes rather than thought-products. A few points may here be suggested as to ways in which this subject may be made a genuine study. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
