Reviews

This book might be worth a read, and superior to other. Of course, it really is engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

The Edgar-winning author of *Slow Motion Riot* (and of *Casino Moon*) makes an intense journey into *Death Wish/Straw Dogs* territory, producing an edged weapon of a novel that stabs at the fears of the urban middle class. Jacob Schiff is a successful Manhattan attorney. His wife, Dana, a psychiatric social worker, offers help and hope to a mentally disturbed homeless man named John Gates. When his feelings for Dana turn obsessive, Gates begins to stalk the family, generating violent confrontations and threats. The police offer no real solutions and so Schiff makes the mistake of his life: he recruits a day-laborer/street enforcer, Philip Cardi, to warn the homeless man off. But Cardi, in pursuit of Gates, brutalizes and kills another homeless man. In response, Gates, who witnesses the crime, runs away, leaving Schiff to face a murder charge on his own. The scenes of.
