Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The British Poets, Vol. 3 of 3: With the Most Approved Translations of the Greek and Roman Poets, With Dissertations, Notes, C Although, from evidence of such a nature, there cannot remain the least doubt about the genuineness of this work, and it be very certain that every thing in it is the performance of Butler yet it must be owned, at the same time, that there is not the same degree of perfection and exactness in all the compositions here printed. Some are finished with the utmost accuracy, and were fairly transcribed for the press, as far as can be judged from outward appearance: others, though finished, and wrote with the same spirit and peculiar vein of humour which distinguishes him from all other writers, seem as if, upon a second review, he would have retouched and amended in some little particulars; and some few are left unfinished, or at least parts of them are lost or perished. This acknowledgment I think due to the poet's character and memory; and necessary to bespeak that candid allowance from the reader, which the posthumous works of every writer have a just claim to.
