Reviews

This book might be worthy of a go through, and a lot better than other. it had been writtern really properly and helpful. You may like just how the author write this publication.

(Prof. Mattie Beatty)

BUSINESS SUCCESS SECRETS OF SELF-MADE MILLIONAIRES

Createspace, United States, 2010. Paperback. Book Condition: New. 202 x 134 mm. Language: English . Brand New Book ***** Print on Demand *****.MASTERING OUR MINDSET TO THAT OF SELF-MADE MILLIONAIRES: Becoming a millionaire is largely a matter of mental attitude. If you are determined to become one, you will. In this book, we will prepare you for this transformation by contrasting the attitudes of millionaires with the average people. Millionaires are not any different than the rest of us - they just think differently - that is the key. Millionaires know what they want, whereas average people don't get what they want because they don't know what they want. Millionaires dedicate themselves to creating wealth, whereas average people buy lottery tickets. Millionaires think big. Average people try not to think big. Millionaires see opportunities in life. Average people see obstacles. Millionaires cause things to happen. Average people have things happen to them. Millionaires play to win. Average people try not to lose. Millionaires are leaders because they promote their values and benefits. Average people know that no one cares about their values, and they don't want to be pushy. Millionaires admire the ability in others. Average people resent it. Millionaires take chances to gain profit. Average people are afraid to jeopardize their weekly paycheck. This book will change your attitude to your life. If you are interested in the characteristics of self-made millionaires and want to learn how to apply their principles to become financially successful, this short, precise and practical book is just for you. It is filled with incredible tips using real-life examples on how to not only make more money, but also live a better life and accomplish your dreams and goals. Adopting new thinking habits is tough, but if you want to increase...
