## ISLAMISTS AND THE STATE: LEGITIMACY AND INSTITUTIONS IN YEMEN AND LEBANON (HARDBACK)

I.B.Tauris Co. Ltd., United Kingdom, 2013. Hardback. Condition: New. Language: English . Brand New Book. In the wake of the uprisings throughout the Middle East in late 2010 and early 2011, the role of Islamist parties in the political process has taken on a new importance. But counter to the commonly held belief in the West that Islamist groups aim to challenge the authority of the state itself, both Islam of Yemen and Hizbollah in Lebanon are political organisations, with aspirations to work with and through state structures. In this book, Stacey Philbrick Yadav highlights how once these Islamist organisations became part of the institutionalised and formalised state apparatus, Islamist participation can instead strengthen the state. She therefore examines the meanings that the members of the parties attach to their relationship to existing regimes and the state institutions through which power is distributed and exercised. Of course, gaps in state planning allow these two parties unique opportunities to take on some of the responsibilities of the state. This has been especially prominent in the case of Hizbollah, which sought to position itself as a provider of welfare at a time when the Lebanese state, brought low by civil war, could not carry out this service. But what Philbrick Yadav sees as crucial is that there is something other than Islam that determines the political positions of the two Islamist parties under examination: more pragmatic and material imperatives. In the wake of the uprisings throughout the Middle East in late 2010 and early 2011, the role of Islamist parties in the political process has taken on a new importance. Islamists and the State questions conventionally uniform expectations regarding Islamist party behaviour and gives precedence to the role of local structure and context when analysing the activities of these parties. Philbrick Yadav argues that...
