Inclusion in the EYFS

By Kay Mathieson

OPEN UNIVERSITY PRESS, United Kingdom, 2015. Paperback. Book Condition: New. 91 x 60 mm. Language: English . Brand New Book. This book provides critical insights and practical approaches to help you support babies and young children with special educational needs and disability (SEND) in the early years. The book starts by briefly considering the current political and legislative context before considering what this means for children with SEND in early years settings. Numerous case studies offer real-world examples to challenge and develop your thinking and there are summary key points, thought provoking questions and ideas for developing practice. In addition the book draws on parents and children s perspectives to assist you in devising an individual and setting action plan for babies and young children with SEND. Key content includes: How the principle of the unique child informs practice for all children Implications of the 2014 Code of Practice for early years provision What good practice looks like Early identification and intervention, and engagement with parents Exploring the role of the SENCO Keeping families and children s voices at the heart of all decision making. This is an invaluable book for anyone involved in early years provision who strives to...

Reviews

The very best publication i at any time read through. I actually have go through and i am confident that i am going to planning to read through once more once more down the road. I found out this ebook from my i and dad advised this publication to learn.
