Twenty years on, this new edition has been updated to reflect Dame Fanny's most recent experiences. The book's insights into fundamentals of playing technique and of musicianship, it's shrewd practical advice and illuminating turn of phrase have immeasurably benefitted all who teach and all who learn the piano. The book now includes a new chapter about the world of competitions (local, national and international), for which she has become renowned, and an appendix with some of the thought-provoking and often inspiring Rules and Maxims for Young Pianists of Robert Schumann, which are still startlingly refreshing and relevant for today's musicians. book.
