Principia Latina: An Introduction to the Latin Language (Classic Reprint)

By Charles D Urban Morris

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Principia Latina: An Introduction to the Latin Language This book is the result of a conviction that if the Latin language is to be well learned in the time usually devoted to its study in this country, it is necessary that the whole subject should be simplified, and that if possible the number of separate facts which have to be remembered should be diminished. It is not denied that many of the grammars and introductory exercise books in general use contain sufficiently full and correct statements of these separate facts, but it is believed that in none of them are the facts classified in the most scientific way, and that in none is the most judicious method adopted of presenting them to the youthful mind. It seems to be considered that boys have plenty of time to learn, first the Latin equivalent for an English word for one thing, its mode of declension or conjugation for another, its gender for a third, and the quantity of its vowels for a fourth, and that it is unnecessary...

Reviews

It is really an remarkable ebook that I actually have ever study. It is actually loaded with knowledge and wisdom You will not truly feel monotony at whenever you want of your time (that's what catalogs are for about in the event you check with me).
