Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. If you don't know who these teachers are, and why their ideas are important, you are in for an eye-opening experience! Also included, is a large section on training resources and emotional communication tools, some of which have never been published before, including the powerful practice of Withholds and you don't need to get what you want if you can express what you want.
