Absolutely essential study book. It normally fails to price excessive. I realized this ebook from my dad and i encouraged this publication to find out.

Now, in this volume of all-new, never-before-released material, Paramhansa Yogananda? who has hundreds of thousands of followers and admirers in North America?playfully and powerfully explains virtually everything needed to lead a happier, more fulfilling life. Topics covered include: looking for happiness in the right places; choosing to be happy; tools and techniques for achieving happiness; sharing happiness with others; balancing success and happiness, and many more. The Wisdom of Yogananda series features writings of Paramhansa Yogananda not available elsewhere. These books capture the Master s expansive and compassionate wisdom, his sense of fun, and his practical spiritual guidance. The books include writings from his earliest years in America, in an approachable, easy-to-read format. The words of the Master are presented with minimal editing, to capture the fresh and original voice of one of the most highly regarded spiritual teachers of the 20th century.
