> Ellen is our dental angel advocate. Her book exposes all the murky and sometimes secretive details of the dental industry, such as fillings, root canals, crowns, implants, dentures, and more, and the expenses and insurance involved. She presents the information in such an easy to read and informative manner that it s not possible any longer to wonder whether to trust a dental professional or his/her treatment or not. Hooray for Ellen Broyles! I can honestly say that I appreciate her writing this book; the information has been kept un-der cover for too long. Thanks, Ellen. -Terry Mills
Ellen the book is great! I sat down to just read a chapter or two and ended up finishing it because it was so fun, definitely not the typical, dry literature you d read about a medical profession! The structure and content were perfect. Thanks for sending me along a copy; I think it s a great idea to educate patients! -Casey Caraher
