Brand New Book ***** Print on Demand *****.Description: Baptists worldwide recently celebrated 400 years of history and witness. This volume is a collection of papers presented at the Beyond 400 conference held in Perth, Western Australia, as part of these celebrations. Contributors have written from a broad range of perspectives reflecting biblically and theologically on the thinking and practice of Baptists in the past and present. These reflections form a basis for exploring how Baptists can function more effectively in our contemporary world situation and imagine themselves in the future. Chapters range from providing historical perspectives to biblical and theological reflections on issues that have been critical to Baptist belief and ministry. Contributions reflect a firm belief among both the presenters and attendees at the Beyond 400 conference that Baptists not only have a future but also offer a necessary voice to our world. This voice is firmly based on the issues that first precipitated the Baptist movement some 400 years ago, and the continuing relevance of these issues as they are reimagined for our contemporary situation. Endorsements: This is a surprisingly rich feast of papers exploring the relevance and place of ecclesiological convictions and traditions in a post-denominational era. The lead articles by Nigel Wright and Martin Sutherland help the reader feel part of the original conference that birthed this publication. Supplemented by a rich array of supporting articles, the final product is timely and thought provoking-even prophetic. --Brian Harris Principal, Vose Seminary, Perth, Australia This book stretched my thinking and...
