Reviews

A top quality book along with the typeface employed was interesting to learn. It is one of the most amazing book we have study. I discovered this pdf from my i and dad recommended this book to learn.

(Mr. Sterling Hane)

RYDER (PAPERBACK)

RIBA Publishing, United Kingdom, 2013. Paperback. Condition: New. New.. Language: English . Brand New Book. Founded in 1953 as Ryder and Yates and now known simply as Ryder, this multi-award winning studio has grown to become one of the largest in the United Kingdom. A varied output of buildings for education, healthcare, interior design, research and manufacturing, residential, and retail and leisure over a period of 50 years has ensured Ryder s position as the North East s leading architectural practice. This new monograph provides a comprehensive critique of Ryder s work. Rutter Carroll explains how the company continues to develop whilst being strongly rooted and influenced by the tradition of its founding partners. Much of the practice s early success was due to the collocation of all the principle design disciplines under one roof, and this tradition of an integrated approach has continued with the practice s adoption of BIM over the last decade. Richly illustrated with photographs and drawings and featuring text by Ryder partners, this book will explore all aspects of the practice s achievements.
