SEARCH FOR THE DORAK: THE MYTH EXPOSED (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the debut #1 Best seller on Amazon US with After Dark The Story Begins Mark Lee Ryan is at his best with his debut novel. An exciting and adventure packed novel that is as exciting from Chapter 1 as it is until the end. For over a hundred years the people in the tiny isolated village of Dereton talked about an adventurer Jim Hunter Byrnes who claimed that he had found a lost tribe in the middle of the jungle. The tribe of little people had bright red eyes and drank bright red water, and Hunter claimed that they had eternal life. Hunter Byrnes was laughed out of town but the stories of the tribe s existence continued to be a talking point with villagers debating the truth behind the myth. When Jack Murray a like-able larrikin in the village met with his three drinking buddies in the Grey Wolf Tavern he dared the men to find the lost tribe that had long been talked about. Jack s friends not unlike him lacked direction in their lives and the challenge to expose the myth gained momentum in the space of a drunken night. Little did the four men know where their adventure would lead them? A gripping and exciting read that will captivate readers with this action packed tale.
