Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Ortus Christi: Meditations for Advent Reading these Meditations we discover with sur prise how much spiritual food is obtainable from a study of the lessons and liturgy of Advent. Mother St. Paul is always a heart searcher. She presses self reform upon souls, who to the eye of outward observ ers and perhaps in their own conceit, have little or nothing to amend. We must always be following Christ, and Christ is ever moving forward. Deliber ately to stand still is to widen the distance between ourselves and Him, an ungenerous, not to say a dangerous thing to do. What are called here Medi tations may well be taken for daily spiritual reading in preparation for Christmas. Advent after all is a season of joy, and these Meditations must be taken in a joyful spirit. Courage and enthusiasm in the cause of Christ is the supreme need of all Catholics who really love His coming. (2 Tim. IV: 8) About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
