

Tentacles of Time

By Harvey Robert Tate

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A sizzling bolt of lightning and a jellyfish send a ninth century boy on a multi-lifetime course. Nature s power and the genetic material of the immortal jellyfish, Turritopsis dohrnii, rearrange young Branac of Hvar s DNA. Sixty years later, Branac approaches death and fades into nothingness, to his surprise his body reforms, but to his regret, he returns as a teenage boy. Thirteen times, a new life begins with only bits and pieces of his memory surviving. To prosper, he must re-learn his story. In his present life in 2060, he adjusts to the new century with the help of Elodie, his human-like robot, and a new name, Smithwick Fowler. As always, his emerging hormones drive him. He seeks companionship but is reluctant to form a lasting bond. Living forever has made him wary of the heartbreak that accompanies love. No man should see his children die, but he has viewed the death of generations of his offspring, as well as many lovers, and twelve wives. The pain of loss has hardened his heart. Wick Fowler prepares...
