The piano compositions of Reynaldo Fernandez Pavon have caused an impact on us such, that they have reminded of those great nineteenth century masters who made it possible for this instrument to be crowned as the king of all instruments, precisely because the greatest masterpieces encompassed the most genuine aspects of the European popular art of that period. The intrinsic values of an Afro-Cuban culture, stylized and refined, mixed with formal universal elements, are what constitute the fundamental triumph of these masterpieces, and serve as proof that we have among us a composer who has achieved creative maturity with success. Las composiciones de piano de Reynaldo Fernandez Pavon han causado un impacto tal, que nos han recordado a aquellos grandes maestros del siglo XIX que hicieron posible que este instrumento fuera coronado como el rey de todos los instrumentos, precisamente porque las grandes obras maestras abarcaban los aspectos mas genuinos del arte popular europeo de ese periodo. Los valores intrinsecos de una cultura afrocubana, estilizada y refinada, mezclada con elementos universales formales, constituyen el triunfo fundamental de este disco y sirven como prueba de que tenemos entre nosotros un compositor que ha alcanzado la madurez creativa con exito.
