White Tree Publishing, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.An exciting story about the adventures of two angels who seem to know almost nothing - until they have a vision! Two ordinary angels are caring for the distant Planet Eltor, and they are about to get a big shock - they are due to take a trip to Planet Earth! This is Zephan s story of the vision he is given before being allowed to travel with Talora, his companion angel, to help two young people fight against the enemy. Arriving on Earth, they discover that everyone lives in a small castle. Some castles are strong and built in good positions, while others appear weak and open to attack. But it seems that the best-looking castles are not always the most secure. Meet Castle Nadia and Castle Max, the two castles that Zephan and Talora have to defend. And meet the nasty creatures who have built shelters for themselves around the back of these castles. And worst of all, meet the shadow angels who live in a cave on Shadow Hill. This is a story about the forces of good and the forces of evil. Who will win the battle for Castle Nadia? The events in this story are based very loosely on John Bunyan s allegory The Holy War. Chris Wright is the author of over thirty books, starting with young fiction for an English Christian publisher in 1966. He has written both fiction and non-fiction, mostly with a Christian theme, for a variety of publishers. Chris is married with three grownup children, and lives in the West Country of England where he is a home group leader with his local church. His personal website is:
