Brand New Book ***** Print on Demand *****.As The Fellows Fly: I read this book aloud with my boyfriend, and it was so beautiful and gripping. I still don't know how to put how I feel about it into words, except to say that it makes me feel many things at once—laughter blended with heartbreak and endurance. The style of writing chosen is so elegantly minimalist that it is a quick read and gives the reader just enough details to still feel it all. It was perfect for a novella, and the brevity made every word used all the more important. I felt like I was inside the story and slowly learning the claustrophobia and tension within Fala as she tries to keep everything together. I can't wait to read what comes next in Fala's life! All the best! -Sophia Ege Who taught people to throw away the thing they most feared losing? -Richard Powers. Dedicated to the Chiapas Visionaries.
